MEMORANDUM FOR: Chief, Military and Economic Area, CIA/ORR
Chief, DIAAP-ICIA

ATTENTION: [REDACTED] CIA/ORR
DIAAP 25X1A

SUBJECT: Soviet Ground Forces and Logistical Installations,
Moscow Military District, USSR

REFERENCE: (a) Requirements, "Supplement to C-RR4-81,733"
(b) NPIC Project 11709-64 (H-894-64)

1. In response to reference (a), NPIC/PAG was requested to search the area of Moscow Military District to identify and prepare reports on Soviet Ground Forces and Logistical Installations. By agreement, installations located within the Moscow outer ring missile road were not studied. Ninety (90) reports will be published containing information on one or more installations.

2. Poor quality, small scale of available photography and location of installations within urban areas precluded interpretation of the fifty-two (52) targets listed in Annex A.

3. Photo analysis using good quality phot. enables negative of the twenty-four (24) targets listed in Annex B. Targets listed in the DIA "AL" and "TA" lists or annotated on the USATC series 200 charts were studied for negation. 25X1A

25X1A 4. Excellent reports have already been published on the Surovatskaya Military Storage Depot [REDACTED] therefore, a report was prepared for this series.

25X1A 5. Reports were not prepared on the Kolbarna [REDACTED] Ranges and Ammunition Depot [REDACTED], Mozhavsk Ammunition Depot [REDACTED] and the Murom Ammunition Depot [REDACTED]. These do not appear to be Soviet Ground Forces and Logistical Installations but are associated with a research laboratory or industry respectively. 25X1A

6. Sixty-nine (69) installations, additionally, were reviewed. Some of these installations were included as a portion of a report containing information on two or more installations, others were confirmed not to be Soviet Ground Force installation and outside the scope of this requirement or located within the Moscow outer ring missile road.
